Upon the place beneath; it is twice bless'd —

MESSAGE

The great thing in this world is not so much where you are, but in what direction you are moving. Another year of your life is fleeting by. To those of you who have achieved, congratulations! To those of you who have worked hard with little success, encouragement. But to those of you who have wasted your time, sympathy. Today is the tomorrow you hoped for and yesterday is gone forever.

O. H. Wisthuff
